Dear Parents/Guardians,

On behalf of our school staff, it is my pleasure to welcome you and your child to the 2014-2015 school year at Frank Ledesma School. I look forward with you this year to ensure that this be the most exciting, academically rigorous, and productive school year to date.

This year we are implementing the Common Core standards in all grade levels. Some of the teachers are piloting new math materials as we will be adopting new math curriculum in January.

We are looking forward to a positive and productive school year. Working together as partners will provide the best possible education for your child. Please feel free to come and visit the school, volunteer for programs, or come and talk to me. Our doors are always open. You are welcome to Frank Ledesma Elementary School and your help is greatly appreciated.

Looking forward to an awesome 2014-2015 school year!!

Best Regards,

Dr. Dianne Witwer
Principal
