

WEEKLY BULLETIN

FRANK LEDESMA SCHOOL

November 10-14, 2014

"When educating the minds of our youth, we must not forget to educate their hearts."

Dalai Lama

Thanks to:

- . Thanks to Mrs. Zapien, Mrs. McCord, Mr. Cramer and Mr. Harris for providing snacks for the staff meeting.
- . Thanks to Miss Johnson for representing the teachers at the PTO meeting.
- . Thanks to Ms. Munoz for writing our Behavior Lesson Plans.
- . Thanks to the PTO for organizing the Movie Night for Friday, Nov. 14. The students are excited.

iPads

Remember is any of you are having difficulty with setting up your iPads, please put in a tech order.

Parent Teacher Conference

Remember that it is important to schedule every parent for these conferences in order to discuss each student's progress. We will not be discussing the NWEA testing results at the first parent conferences as we are just learning about these assessments. The 2nd Trimester Conferences will be a better time to give the parents information about these new assessments.

PTO - Movie Night

The PTO is sponsoring a Movie Night on Friday, November 14 starting at 6:00. It will cost \$1.00 for admission for both parents and students and the concessions will be an additional cost. They may bring a blanket to sit on the floor. The Student Council will be escorting the students into the Multi-Purpose room and giving them a place to sit.

Conflict Mediators - Week of Nov. 10th

Please remind these students to go to the conference room to pick up their clipboards and shirts after lunch as they are on duty this week:

Illuminate

Make sure that you have gone in and tried your user ID and password so that you are ready to input grades starting on 11/7/14.

Goal Settings

Our second Fall Goal Session will take place on **Monday, Nov. 10th**. Please make sure that you bring your goals, your student seating chart, the quadrants for ELA & Math, and your individual student plans.

PBIS

Remember to be proactive with the students as our SWIS data shows that students are being physically aggressive on the playground. Saying the rules and reinforcing keeping hands, feet, and objects to themselves will help. Ms. Munoz will be writing behavior lesson plans regarding physical aggression. The data also showed that our second and sixth graders have the most office referrals so please help us be proactive with individual students that are having trouble following the rules. We need to put interventions in place for those students to support them.
