Thanks to:

- . Thanks to everyone for finishing our safety online trainings in a timely manner.
- . Thanks to our grade level teams for setting up your new iPads and reviewing the new Report Card guidelines.
- . Thanks to Mrs. Zapien for setting up activities for Red Ribbon Week.
- . Thanks to everyone for the support, cards, flowers, and gifts during this difficult time. I really appreciate the support of my Frank Ledesma family.
- . Thanks to all of the teachers who participated in Fall Goal setting this week. Your beginning of the year plans were outstanding!

NWEA Testing

I put the updated schedule for the NWEA testing in your boxes today as some testing was scheduled on Veteran's day as well as other adjustments were made due to the length of the test. If you have any questions, please come and discuss.

iPads

New iPads were dispersed last night during the PLC time. Please make sure that you follow Zeke's directions & video before setting them up. If you are having trouble, please put in a tech work order to receive additional help.

Parent Teacher Conference

Erika & I will be updating the Parent-Teacher Conference packet today and will put it in your boxes today. Remember that it is important to schedule every parent for these conferences in order to discuss each student's progress. We will not be discussing the NWEA testing results at the first parent conferences as we are just learning about these assessments. The 2nd Trimester Conferences will be a better time to give the parents information about these new assessments.

PTO Meeting on Nov. 4

The PTO will be meeting on Tuesday, Nov. 4 at 6:00. Miss Johnson has been attending and representing our teachers, but it would be great if a few more teachers could attend this meeting.

Conflict Mediators - Week of Nov. 3rd

Please remind these students to go to the conference room to pick up their clipboards and shirts after lunch as they are on duty this week:

Red Ribbon Week

Mrs. Zapien and Mr. Griffin have been working with the Student Council to plan activities for "Red Ribbon Week." Since not all of our Red Ribbon incentives came in on time, we will celebrate it this week. Please make sure that you adhere to the activity guideline that was put in your boxes. We want to make sure that all of our classes are participating. It should be fun but also send a good message.

- . Monday- Pledge and Wear red shirt.
- . Tuesday- Voting for future- Wear red, white, blue.
- . Wednesday- Bright Future- Wear favorite sun glasses.
- . Thursday- "I'm a Jean-ius" - Wear favorite jeans.
- . Friday- Class is Drug Free- Decorate Door.
(Student Council will judge classroom door decorating.)

Goal Settings

Our second Fall Goal Session will take place on Monday, Nov. 3rd. Please make sure that you bring your goals, your student seating chart, the quadrants for ELA & Math, and your individual student plans.

Employee of the Month

Thank you for participating in the nominations of the "Employee of the Month" for October. Congratulations to **Amanda Johnson**, our Kindergarten teacher, and to **Yvonne Aguirre**, our Health Aide/Attendance Clerk. Great job! We love celebrating our employees for their hard work.

Report Cards

Report Cards

Last night I delivered Cresta's Power Point on the implementation of the new report card to the lead teachers to review with each grade level team. You also received a copy of all the new report cards for each grade level so that you can see the vertical alignment. The District Report Card Committee worked hard on developing this new standard's based report card. The assessments that you have given should fit the different Common Core strands. Please work with your grade level team to determine which assessments fit in which strand on the new report card.
