

# Frank Ledesma School WEEKLY BULLETIN

October 13-17, 2014

*"If schools want to enhance their organizational capacity to boost student learning, they should work on building a professional community that is characterized by shared purpose, collaborative activity, and collective responsibility among staff."* Newman & Wehlage

### Thanks to:

- . Thanks to the 4<sup>th</sup> grade for bringing tasty treats for our staff meeting.
- . Thanks to the Kindergarten team for setting up the Student Store this week.
- . Thanks to the 2-6 grade teachers for administering the CELDT test this week.
- . Thanks to the District Parent Coordinators for helping us out with CELDT testing. We appreciate it.
- . Thanks to Miss Johnson for participating in the PTO meeting this week.

### Illuminate Training

The Principals will receive Illuminate Training on Oct. 14 during Curriculum DLT in the morning. Then the site teachers that were trained in the spring will be trained that same day in the afternoon. The idea is that each site then has a team of people that can train the staff on Illuminate so that we can soon upload our assessment data.

### RTI Classes

When we visit all classrooms, we should see the evidence of your small group instruction by looking at the clipboard logs. The reading logs should always be updated as to what you have covered during RTI time with each small group.

Remember that every day a different small group should go out to room 8, & 18, or the Science Room. You should not be sending the same groups out each day as all students should be receiving RTI classes.

### District Required On-Line Trainings

Please remember to complete the District Required Trainings online by Oct. 31 as we discussed in the staff meeting.

### Positive Behavior Support

The Positive Behavior Intervention Support team will meet Monday, Oct. 13 at about 3:10 in the Conference Rm. to review the behavior data, determine next steps, and to discuss topics for weekly behavior lesson plans.

### Walk-Throughs this Week

During classroom walk-throughs, we are continuing to look for:

- . Pair Share
- . Stand and Deliver
- . Equity sticks
- . Whiteboards
- . Student Engagement
- . ELD instruction
- . RTI clipboards & instruction
- . Group Points for positive reinforcement
- . Technology enhancement

I will also be starting the informal observations in all classrooms this week.

### A Reminder of a New Procedure:

Due to safety and student confidentiality concerns, student names can no longer be announced over the school's public address system (Intercom System). When parents come to pick up students, the office staff is to have them wait until we can locate the child. We are not to send the parents out to look for students as we need to locate the student for the parent. Since this is a new change for our parents, we will be letting our parents know about this change.
