Thanks to:

- . Thanks to the 2nd grade team for providing yummy snacks for the staff meeting.
- . Thanks to the staff for being active participants in the Staff Development on Close Reading. You were all great!
- . Thanks to our 5th grade team for participating in the Lesson Study for math with Chase. You are implementing many Common Core strategies.
- . Thanks to Laura Zapien and to our 4th & 5th grade teachers for conducting the preliminary spelling test for the Spelling Bee.

Start Time

The start time should remain the same as the students line up at 8:00 and instruction starts at 8:05. The bells were changed however we are disregarding the bells at the beginning of the day. Rev will blow the whistle at 8:00 for the students to freeze. Please pick up your students on time as instruction is to start at 8:05.

Progress Reports

Progress Reports usually go out on January 26, but since Cresta will be revising them we will wait until she tells us that they are ready to give to you.

Student of the Month Sponsored by PTO – Friday January 30th.

The PTO is sponsoring the "Student of the Month" program at our school. The PTO will then be issuing certificates to these students and we will acknowledge them in Morning Sing on Friday, January 30th. Several of you have turned in your student names, but not all of you so Irene has emailed you as a friendly reminder.

PBIS Behavior Lesson Plans

Ms. Munoz is writing the Behavior Lesson Plan to reflect proper behavior for assemblies/Morning Sings. Please make sure that you go over this Lesson Plan every day so that the students behave better in Morning Sing on Friday. After our Campus Supervisor meeting this morning, we decided that it would be helpful if everyone would **remind the students to freeze** when Rev blows the whistle. Please remind students **not to wear any National team shirts or caps**.

The PTO is continuing to collect box tops. The classes that collect the most box tops per month will receive a pizza party.

Spelling Bee for 4th & 5th Graders

We have registered for the Spelling Bee again this year. Laura Zapien is coordinating this program with our 4th and 5th grade teachers. We are gathering the outcome of the preliminary spelling test. The timeline includes the following dates & activities:

- . Jan. 29- Semi-Final School Competition
- . Feb. 5- Final Competition
- . Feb. Feb.13 - School Statistics Form due
- . Feb. 21 - County Final Spelling Bee

Staff Meeting

We will be giving the second part of the Close Reading PD on Wed, Jan. 28. This is very valuable information and the expectation is that you use this material in your classroom to help your students analyze text. Remember the SBAC will be asking many questions regarding the comprehension of sophisticated text, so please make sure that you are using this information as much as possible in your classroom.

Computer Lab Schedule

Remember to check the Tuesday and Thursday Computer schedule for our 3rd-6th classes as you do not want to be late for your classes.

Math Adoption

I am glad to see that many of you have started implementing and teaching the Go Math materials right away. The students seem to like it and are learning a lot already. I heard some of you say that it is challenging to get the pacing down as there is a great deal to cover in each lesson. It takes time to figure out the important components to cover. Great start!
